4.6.6 At all meetings of the Board of Directors the presence of at least fifty one percent (51%) of the number of Board members shall be necessary to constitute a quorum for the transaction of any business.

4.6.7 At all meetings of the Board each Director shall be entitled to one (1) vote. In the absence or disability of the President, the Vice President shall perform the duties of the President, provided, however, that in case of death, resignation, or disability of the President, the Board of Directors may declare the office vacant and elect any eligible person President.

4.7.2 All such Officers shall serve a term of one (1) year.

4.7.3 Such Officers shall serve at the will of the Board and may be removed by majority vote of the Board.

4.7.4 The Board has the responsibility and authority to hire a manager and establish the scope of manager responsibilities. At the discretion of the Board, Cooperative Member-Owners who do not currently serve on the Board may be appointed to committees or task forces, but may not serve on Committees entrusted with sensitive or confidential information.

ARTICLE V PATRONAGE REFUNDS

Section 5.1 Allocation and Distribution

5.1.1 If available, patronage refunds shall be declared and paid from net earnings attributable to patronage of the Member-Owners

at the end of each fiscal year. Each year, the Cooperative shall be obligated to account for and pay on a patronage basis to all Member-Owners the Cooperative's net earnings over and above the cost of providing services to Member-Owners, paying all costs incurred by the business of the Cooperative, and making reasonable additions to capital and reserves.

5.1.2 All Member-Owners shall be treated equitably, and patronage refunds shall be paid in proportion to the dollar amount of purchases from the Cooperative during the fiscal year.

5.1.3 The Cooperative shall be entitled to take into account losses for prior years when calculating its net distributable surplus.

5.1.4 The Board of Directors shall decide after the close of the Cooperative's fiscal year whether a net distributable surplus exists for that year, how and when to distribute patronage refunds and any other related matters, based on the Board's policies.

5.1.5 The patronage refund notice shall be in the form of a written notice of allocation that is delivered to recipients within a time frame after the close of the fiscal year as set by the Internal Revenue Service. The notice to Member-Owners shall state the dollar amount of the patronage refund and any other information required by law and shall be accompanied by a store certificate – the form and amount determined by the Board. Store certificates may be redeemed for cash.

5.1.6 In order that patronage refunds shall qualify as federal income tax deductions for the Cooperative, its Member-Owners must be deemed to have given their consent to the following treatment of these funds. By obtaining or retaining Member-Ownership in the Cooperative, each Member-Owner shall thereby consent to take into account, in the manner and to the extent required by the Internal Revenue Code, the stated dollar amount of distribution made in qualified written notice of allocation in the taxable year in which such notice is received.

5.1.7 Member-Owners shall retain the right to waive in whole or in part any patronage refunds to which they may be entitled.

5.1.8 The Board of Directors may elect not to declare or distribute a patronage refund if it is in the best financial interests of the Cooperative. Any allocations of such a nominal amount as not to justify the expenses of distribution may, as determined by the Board, also be excluded from distribution.

5.1.9 Any part of a patronage refund that the Board of Directors elects not to pay in cash or merchandise credits is called the retained patronage refund and shall be credited to revolving capital accounts. At any time, the Cooperative may pay some or all of the retained patronage refunds to qualifying Member-Owners if the Board of Directors decides the reserve funds are no longer required. Member-Owners will receive retained patronage refunds in the order of the oldest outstanding amounts on a pro rata basis from these amounts.

5.1.10 If the Cooperative dissolves as a corporation, it shall pay retained patronage refunds to Member-Owners after payment of all other liabilities. If the remaining funds are insufficient to repay all retained patronage refunds, Member-Owners will receive retained patronage refunds in proportion to their revolving account balances at the time of dissolution.

5.1.11 Patronage refunds and/or notice of patronage refunds shall be sent to Member-Owners electronically or by US regular mail delivery to the Member-Owner's address in the Cooperative records. If such notice or refund is returned to the Cooperative as undeliverable, then the patronage refund allocated to the Member-Owner shall be forfeited and allocated to the Cooperative's capital reserve.

5.1.12 In the event the Cooperative shall incur a net loss in any fiscal year, such loss may be charged against retained savings or other unallocated Member-Owner equity accounts. If the net loss exceeds such amounts, or in any event if the Board so determines, the amount of such loss may either be carried forward to offset adjusted net earnings of subsequent fiscal years or allocated to members in the same manner as for adjusted net earnings except that such allocation shall not exceed the total of invested capital. Any such allocated net loss shall be charged first against retained patronage refunds of prior fiscal years and then against patronage refund allocations of subsequent fiscal years. Allocated net losses shall not otherwise be assessed or collected from members.

Section 5.2 Operation at Cost

5.2.1 The Cooperative shall be operated at all times on a cooperative, service-at-cost basis for the mutual benefit of its Member-Owners and patrons. The Cooperative may accumulate only such capital, reserves and other financial assets as are determined by the Board to be necessary and prudent to the ongoing operation of the Cooperative's business, to include the requirements of the Cooperative's Annual Operating Budget, and Strategic and Capital Plans.

5.2.2 Within a reasonable time after the end of each fiscal year, the Board shall determine the net earnings (net margin) of the Cooperative for said fiscal year, which determination shall be made in accord with generally accepted business principles and practices, or otherwise as the Board may direct upon the advice of the Cooperative's accountant or other professional advisor. No distribution of net earnings to Member-Owners shall be declared or paid until a sum equal to twenty percent (20%) of the net profits is appropriated for a contingent or reserve fund.

5.2.3 The net earnings of the Cooperative for said year from all the business of the Cooperative other than business done with or for Member-Owners may be retained by the Cooperative as unallocated reserves or surplus.

Article 6 – EQUITY PAYMENTS AND CAPITAL ACCOUNTS

6.1.1 In order to help meet the capital needs of the Cooperative, a new Member-Owner is required to remit an equity payment, the amount of which shall be determined by the Board. For the reasonable capital needs of the Cooperative, more than one investment as a capital contribution may be necessary over the course of an ongoing membership, as determined by the Board. Capital contributions shall be made in cash and may be waived in whole or in part by the Board on any reasonable basis. Required capital contributions and any available waivers shall be applied uniformly among members.

6.1.2 The receipt of a Member-Owner's equity payment will be credited in the financial records of the Cooperative to a capital share, or equity, account in the name of each Member-Owner. A Member-Owner's equity account is not entitled to a dividend or other return on investment, and is not transferable. Member-Owner's equity accounts shall be subordinated to all other debt or equity obligations of the Cooperative.

6.1.3 Following termination of Member-Ownership and request for redemption of equity, Member-Owner equity payments may be redeemed upon approval by the Board. Withholding of approval shall only be for good cause, including that such payments would violate loan agreements or other contractual obligations of the Cooperative or would jeopardize the solvency of the Cooperative. In no event shall redemption proceeds exceed the total of the Member-Owner's equity payment(s). Redemption proceeds shall at all times be subject to being offset by amounts otherwise due and payable to the Cooperative.

6.1.4 Any institutional Member-Owner's equity payments, redemption payments, or patronage refunds shall be made payable only to the named institutional Member-Owner.

6.1.5 Individual or household Member-Owner's redemption payment and refunds shall be made payable only to the named Member-Owner and not divided among or paid to household members. In the absence of any such notice of designation of named Member-Owner or in the event of the death or prolonged absence of the representative of Member-Ownership, the Cooperative, by a vote of the Board of Directors, may designate another person in the household or institution as the representative of Member-Ownership for such purposes.

6.1.6 If the Member-Owner allows their status to revert to "not in good standing" or not "current" and does not request a return of equity within the following three years, the amounts in the Member-Owner's account will revert to the Cooperative as permanent non-allocated capital. For a period not to exceed one year following termination of Membership and the return of that Member-Owner's equity payment account, the readmission to Member-Ownership of that former Member-Owner shall be conditional upon the contribution by that Member-Owner of the entire amount of the equity account theretofore paid by the Cooperative at his or her termination or such other reasonable conditions as may be imposed by the Board.

Section 6.2 Dissolution of Cooperative

In the event of dissolution of the Cooperative, equity shall be returned to Member-Owners after payment of all liabilities of the Cooperative are settled. If sufficient funds are not available for repayment in full, repayment shall be made on a pro rata basis among all Member-Owners in proportion to their accumulated capital contributions. If any repayment fails to reach any member via a single mailing through regular U.S. mail at such Member-Owner's last known address on file with the Cooperative the provisions of Section 5.1.12 of Article 5 of these Bylaws shall apply.

ARTICLE VII INDEMNIFICATIONS AND INSURANCE

Section 7.1 Indemnification

The Cooperative shall indemnify its Directors and Officers of the Cooperative against liabilities – including attorney fees, judgments, fines, and amounts paid in settlements – reasonably incurred in connection with the performance of the duties provided, however, that no indemnification may be given for any person with respect to any matter as to which he or she shall have been adjudicated not to have acted in good faith in the reasonable belief that his or her action was in the best interest of the Cooperative.

Section 7.2 Insurance

The Cooperative may purchase such insurance as they deem necessary, including, without limitation, liability insurance coverage for any person serving as an Officer, Director, employee, or agent to the extent permitted by the law, except to the extent that the cost thereof may be deemed by the Board to be fiscally prohibitive.

ARTICLE VIII BYLAWS

Section 8.1 Amendment

8.1.1 The Board shall have the right to amend these bylaws. Prior to any action to amend, the content of a proposed amendment shall be conspicuously posted at the Cooperative for a comment period of not less than thirty (30) days and/or a written or printed notice of the proposed amendment and of the time and place of the meeting to vote thereon shall be delivered electronically to each Member-Owner, or mailed to the last known address of the Member-Owner, at least thirty days prior to any such meeting. All written comments submitted to the Board during such comment period shall be considered by the Board and the Board shall have discretion whether to act on submitted comments.

8.1.2 The Board of Directors shall vote on the amendment at the next Board meeting with approval affirmed by majority vote of quorum.

8.1.3 Should the Board approve the amendment, the amendment shall be placed on the agenda of the next Annual Member-Owners Meeting or a Special Meeting of Member-Owners.

8.1.4 The amendment will become final and effective with ratification by a 2/3 vote of the Member-Owners present at the meeting. If not approved at the next such meeting, such amendment shall be deemed as if it did not occur and the Bylaws shall continue in effect as unamended.

Section 8.2 Severability

In the event that any provision of the Bylaws is determined to be invalid or unenforceable under any statute or regulation, then such provision shall be deemed inoperative to such extent and shall be deemed modified to conform with such statute or regulation without affecting the validity or enforceability of any other provision of these Bylaws.

ARTICLE IX DISSOLUTION

The Cooperative may be dissolved at any meeting, held upon due and express notice previously given, by a two-thirds (2/3) vote of the Member-Owners at the meeting after 30 days prior written notice to every Member.

Explanation of Patronage Refund Consent Provision

The Internal Revenue Code generally requires each person receiving a patronage refund to include the amount of such distribution in his or her gross income in the taxable year in which it is received. Under bylaw Article V, Section 5.1.6, mere acceptance or retention of Member-Ownership in the Cooperative constitutes consent to such inclusion in taxable income, including the portion of the patronage refund that is retained by the Cooperative for its capital needs. The Cooperative has been advised by legal counsel, however, that the general rule for inclusion in income of patronage refunds is subject to an exception that is applicable to consumer cooperatives. Under that exception, a patronage refund is not required to be included in gross income if the Member-Owner's purchases from the Cooperative are related to "personal, living or family items." The patronage refund would be taxable to a Member-Owner only if his or her purchases related to the operation of a trade or business or other income-producing activities. In effect, the consent provision is of no significance to members of the Cooperative, except as to organizational members and except where the purchases of Member-Owners who are natural persons are for business or income-producing purposes.
